

Introduction

Alzheimer Scotland Portree Day Care meets within Tigh na Drochaid Resource Centre, Bridge Road, Portree, on a Monday, Tuesday, Thursday and Friday between 10.30 am and 3.30 pm.

Our Day Care offers social contact, in a warm and welcoming environment, and a wide range of activities, tailored to the particular interests and preferences of those attending.

Past activities have been as diverse as the interests of those attending but have included arts and crafts, visits to places of interest in the area, games, quizzes, music and local history.

With the involvement of the person with dementia, and carer where appropriate, we put together a Care Programme for each person, tailored to his or her individual abilities, interests and preferences.

Staff

Our Day Care is delivered by a team of experienced and highly trained staff, including pictured below (from right):

Lunch is provided each day, with a choice of meals offered from the menu of the day.

Dining area

A small charge of £3.60 per day is made, which is a contribution to the cost of meals, snacks and transport. There is no charge for the Day Care Service.
