Breakout Sessions

State preferences when registering

1. Self-Directed Support: Positive and Possible!

Chaired by Laura Finnan Cowan, Self-Directed Support Manager

This session will explore the progress being made to promote knowledge of and engagement with Self-Directed Support and will showcase inspirational examples of best-practice within the organisation.

2. Beyond the Barriers

Chaired by Fiona Roberts, Deputy Director of Quality; Lorna Hart-Thomson, Dementia Advisor and Fiona Corner, Dementia Dog Project Manager

Come and learn about our innovative collaborations with the Scottish Prison Service at HMP Shotts and HMP Castle Huntly, where Alzheimer Scotland staff and dogs are making a real difference.

3. Dementia Friends

Chaired by Anne McWhinnie, Dementia Friends Programme Manager

Come along to take part in a Dementia Friends session and become a registered Dementia Friend! Hear updates regarding the work of the programme across Scotland. This session will be especially of interest to Members and Volunteers and any staff members who have not yet engaged with the programme.

Dementia Friends is part of a social action movement to increase awareness of dementia and to address the stigma experienced by many people living with the illness. Learn a little bit about what it's like to live with dementia and turn that understanding into action. Anybody can become a Scottish Dementia Friend; it's just about understanding a bit more about dementia and the small things you can do to help people with the condition.

4. Intergenerational Work

Chaired by Clare Stroyan, Service Manager and Janet Allison, Daycare Organiser, Stranraer & Wigtownshire Services

This session will give an insight into Alzheimer Scotland's intergenerational work, at our Stranraer & Wigtownshire Day Care Services. Through exploring the shared learnings and benefits from working with children with autism, alongside people with dementia, we gain greater insight into the importance of communication.
