

Alzheimer Scotland relies on fundraised income to ensure we provide our support in the heart of local communities. Our Dementia Resource Centres complement our other offerings in the locality such as our Dementia Advisors, Community Activity Organisers and Volunteer Organisers.

To continue to grow this vital network of community support for people living with dementia and their families, we need your support. Every penny counts so if you would like to make a donation, please visit our website or call 0131 243 1453.

For more information on our support, visit our website:
