

# Fair Dementia Care Election Pledge

I fully support Alzheimer Scotland's call for Fair Dementia Care for people with advanced dementia in Scotland.

If elected to the Scottish Parliament, I pledge to help deliver fair dementia care by:

1. Working to ensure that every person with advanced dementia, living in a care home, has an individual assessment of their health and nursing care needs.
2. Supporting an increase in free personal and nursing care payments to a level which is equal to the actual cost of the care people with advanced dementia need.
