Time for You – Winter Essentials Fund

This fund has been created in response to the cost-of-living crisis. It provides small £50 grants for people living in Scotland who have a dementia diagnosis, or cares for someone who does.

The Fund will launch on 18th November 2022 and we anticipate the Fund being open for a 3-month period until February 2023.

What can the grant pay for?

How you’d like to use the grant will depend on your own situation – for instance, it could help buy warm clothing, electric blankets, hot water bottles, or help meet travel costs to attend a local group or visit your loved one if they are in a care home. This is a little helping hand for you – however that looks.

What are the grant criteria?

We accept applications from:

➢ unpaid carers of someone with dementia (including if they are in a care home)
➢ people living with a diagnosis
➢ people living in Scotland only
➢ we can only accept one application per household/family

What is the process?

- The fund will open on 18th November 2022 and run for a period of up to 3 months.
- The application process will be a short, simple online form.
- If you don’t have access to the internet/email, your Alzheimer Scotland contact can print out an application for you to complete and send back to us.
- Once received and provided you meet our key criteria above, we will securely deposit the grant directly into your bank account.
- We will aim to make payment within 14 days of receiving an online application. However, this may take longer for postal applications.
- We ask that the grant is spent within a month of receiving it.
- We would then love to hear how the grant helped; photos and any quotes can be emailed to us at timeforyou@alzscot.org
