

# What's on

## March-Virtual Resource Centre (VRC)

Welcome to the Virtual Resource Centre (VRC). The VRC offers a selection of information sessions and regular activities online through our website Virtual Resource Centre page.

Everybody is welcome at our online group sessions. You can attend independently or with a companion but please note that our live sessions require a pre-booking at least 5 minutes before they are due to begin. We also have a series of sessions 'available on demand' to be enjoyed anytime. Further support for using this form can be found on the VRC website page in the 'How-to' video at the bottom of the page. For information on what to expect and how to join a session there is a guide found on the VRC website page under the joining a VRC session button.

### **The National Dementia Advisor Service (NDAS)**

The NDAS **Carer's Evening Peer Support** group can be accessed by contacting Cherie Raby email: [craby@alzscot.org](mailto:craby@alzscot.org)

### NDAS Carers Education

This month we have a new block of the NDAS Carer Education programme beginning on the 4<sup>th</sup> of March. It aims to help provide informative and supportive sessions for those caring for a loved one living with dementia. These will run in 4 blocks throughout the month and can be booked together or as individual sessions depending on what you feel you would like to attend. **Please note**, spaces to attend these sessions are limited, so early booking is advised. If you can no longer attend a session, it would be appreciated if you cancel your place so others can book on.

There will be another block of these sessions in May please contact the Cherie Raby [craby@alzscot.org](mailto:craby@alzscot.org) or Janine Adair [jadair@alzscot.org](mailto:jadair@alzscot.org) for further details.

### **National Nutrition and Hydration Week**

March 17<sup>th</sup>- 21<sup>st</sup> raises the awareness of the importance of nutrition and hydration, we will be running an information session on eating and drinking facilitated by a Speech and Language therapist. It helps to signpost to Allied Health Professionals resources found on the Alzheimer Scotland website that may help when eating and drinking becomes difficult.
