What's on May 2025 - Stranraer

Our Community Groups are there to be enjoyed by anyone living with dementia or experiencing difficulties with their memory, including their families and friends. All are welcome; people who can attend independently and/or, for those unable to do so should come with a companion who can provide any support for them. We are unable to transport for these groups and therefore it is your responsibility to get to and from this community activity, safely. Please speak to us, so we can support you to explore other transport options.

We are also here for you with a warm drink, food and company. We will be providing more coffee catch ups, or just pop in. Please see below for more details.

If you are unsure, or have questions about any of the groups, or have an idea for a new group, please let us know. All contact details are below.
