Our Community Groups are there to be enjoyed by anyone living with dementia or experiencing difficulties with their memory, their families and friends. All are welcome; people who can attend independently and/or, for those unable to do so should come with a companion who can provide any support for them.

We are unable to transport for these groups and therefore it is your responsibility to get to and from this community activity, safely. Please speak to us, so we can support you to explore other transport options.
