

What's on

July-Virtual Resource Centre (VRC)

Welcome

The VRC is an online space where you can take part in regular group activities and helpful information sessions.

To join a session or view on demand sessions visit our website: www.alzscot.org/community-support/virtual-resource-centre and click on the monthly what's on guide to see what's available. Sessions should be booked at least 5 minutes before they are due to start. There are step-by-step guides explaining how to book and join sessions on the VRC page.

Our sessions are hosted on Microsoft Teams. If this is your first time joining a session, we recommend reading the guide and if needed downloading the Microsoft Teams app before your session. Need more help? Email: vrc@alzscot.org

Carers Awareness

The next block of Carers Awareness (formerly Carers Education) sessions begin in August. These have been included in the July guide to enable advanced booking. For more information on these Email advice@alzscot.org

Bingo

After booking your bingo session you will receive a printable bingo card by email. **Please note:** if you need one printed and posted you must book by the Friday before the session to receive it on time.
