

What's On

June 2025

Our Community Groups are there to be enjoyed by anyone living with dementia or experiencing difficulties with their memory, including their families and friends. All are welcome; people who can attend independently and/or, for those unable to do so should come with a companion who can provide any support for them. We are unable to transport for these groups and therefore it is your responsibility to get to and from this community activity safely. Please speak to us, so we can support you to explore other transport options.

If you are unsure, or have questions about any of the groups, or have an idea for a new group, please let us know. All contact details are below.

Online Group

Virtual Resource Centre group sessions

Our Virtual Resource Centre (VRC) is an online space where people will be able to access groups, activities, and information sessions all from the comfort of their own homes.

You can access a range of free live and 'on demand' activities including live music sing-alongs, arts and crafts, quizzes, seated exercises and relaxation techniques. The VRC also runs a program of information sessions on topics such as financial advice, using technology, and support and services. These sessions can be booked and viewed using our what's on guides, there is a short video found at the bottom of the page explaining how to book and access them.

Our support and activities are only possible thanks to the donations we gratefully receive. There are many ways to support our groups, please speak to any member of staff detailed above for more details. To donate, please consider donating to our local Just Giving page <https://www.justgiving.com/alzscot>.

Would you like to know what we get up to each month? If so, please email dumfriesservices@alzscot.org or call us on 01387 261303 to be added to our monthly distribution list.
