

What's on

August 2025 - Oban

Our Community Groups are there to be enjoyed by anyone living with dementia or experiencing difficulties with their memory, including their families and friends. All are welcome; people who can attend independently and/or, for those unable to do so should come with a companion who can provide any support for them. We are unable to provide transport for these groups and therefore it is your responsibility to get to and from this community activity, safely. Please speak to us, so we can support you to explore other transport options.

We are also here for you with a warm drink, food and company. We will be providing more coffee catch ups, or just pop in. Please see below for more details.

If you are unsure, or have questions about any of the groups, or have an idea for a new group, please let us know. All contact details are below.

Stop the Cuts campaign

Vital community services that support tens of thousands of people living with dementia, their families, and carers are being cut across the country. Services such as day care, post-diagnostic support, respite and local community programmes are facing significant cuts to their budgets. This means that they are not available to those who need them most and people are being turned away when they reach out for help. People with dementia, their families, and carers are unable to access the care and support they need, when they need it.

Alzheimer Scotland thinks this is unfair. People with dementia deserve access to high-quality, local support at every stage of their condition and our campaign highlights the need to protect dementia services from cutbacks.

You can help us stop the cuts and demand change by adding your voice to our campaign and signing our petition.
